### For the precision bartender

Lustro Wine Foil Cutter

Most bar gadgets are solutions without problems. Not the Lustro Wine Foil Cutter. Consider it a circumcision scalpel for wine bottles (unless, of course, that makes you queasy). Clamp the little lobster-like claw over the top of a bottle, squeeze and twist a quarter turn, snipping off the tip of the capsule to expose the cork. There, that was painless, wasn't it? \$10.95, Wineonline.ca — Beppi Crosariol
